Delivering smart EV charging infrastructure for cities

Siemens has teamed up with ubitricity, a leader in electric vehicle (EV) charging technology to help London's boroughs prepare for the rapid increase in EVs expected on UK roads by 2020.

Brexit: our update to customers March 2019

Read our update on the preparations we are making in case the UK leaves the EU without a deal.

Siemens invests €30 million in Worcester 3D-printing factory

Siemens is to invest €30 million in a state-of-the-art 3D-printing factory in Worcester, due to open September 2018. Over 50 additive manufacturing jobs will be created, and the new factory will be fully powered by Siemens Digital Enterprise solutions.
